The Schmooze

It is very important that as young Jewish girls become young Jewish women that they develop a positive attachment to Judaism and Torah values. This program, the Schmooze, will introduce these young middle school aged girls to Jewish heroines in Jewish history dating back to ancient times through modern era. It is through these female personalities that they will learn good midot, character traits, and will gain a proper perspective of the role of a Jewish woman.

The Schmooze meets on the Sunday night close to the celebration of Rosh Chodesh, the first of the Hebrew month. It is one hour long and will be filled with learning, discussion, laughter and song. Special additional activities are planned to enhance the learning and to strengthen the cohesiveness of the group.

The Schmooze will meet January 22nd and February 19th from 7 to 8 pm. Contact the office for more details.
